**Woking Rotary's Race Night offers eight races with eight horses per race. Each race goer receives a race card on arrival. You'll then have the opportunity to place bets on your chosen horses.**

The races are projected onto a large screen with sound via a pa system.

Placing bets is simple and fast. Our compere for the evening, Benjamin Haskin, guides everyone through the process and operates the computerised tote betting system for us.

Bets are a minimum of £1 but you can bet more, and on more than one horse. The last race will be an auction race as well as normal betting. Do bring cash with you as bets cannot be taken using credit or debit cards - you'll need plenty of 1£ coins.

When the racing's done, winners collect their prize money — 50% of the total bets placed. The remaining 50% goes to charity.
